2025 10th International Conference on Communication, Image and Signal Processing (CCISP 2025)

Chengdu, China
Nov. 20-23, 2025

www.ccisp.org

CFP Topics

Included but not limited to:

COMMUNICATION ENGINEERING
- Communication Networks
- Wireless Communications
- Mobile Communications
- Infrastructure for Next Generation Networks
- Information & Communication
- Coding Theory
- Optical Communications
- Internet Technologies
- Communication Software
- Sensor Networks
- New Communication Technologies
- Visual Arts & Visual Communication Design

IMAGE PROCESSING
- Radar Image Processing
- Sonar Image Processing
- Image Acquisition
- Image Coding and Compression
- Visualization
- Image/video Coding and Transmission
- Filter Design
- Face Recognition
- Image Segmentation
- Medical image processing
- Image/Video Processing
- Image Formation
- Image Scanning, Display, and Printing
- Image/Video Storage, Retrieval, and Authentication

Important Dates

Submission Deadline: May 15, 2025
Notification Deadline: June 15, 2025
Registration Deadline: July 15, 2025

Publication & Indexing

1) All the registered and presented papers will be submitted to the publisher for review, and papers that meet the requirements will be included in the conference proceeding(online publishing). The publisher will submit articles to Engineering Village, Scopus, Web of Science and other databases for review and indexing after publication.

2) Selected papers with great extension will be recommended to publish in international journals.

CCISP 2023-2018 all has been indexed by EI Compendex!
See publication and indexing history: https://ccisp.org/pub.html

About Submission

Please submit your paper through submission system:
https://cmt3.research.microsoft.com/CCISP2025

Or you can scan the QR code

About Chengdu, China

Chengdu is the capital of Sichuan Province, located in the west of Sichuan Basin, the hinterland of Chengdu Plain, adjacent to Deyang and Ziyang in the East, Ya'an and ABA in the West and Meishan in the south. Chengdu has 10 districts and 5 counties, including Jinjiang District, and 4 county-level cities. At the end of 2014, the built-up area of Chengdu Municipality covers an area of 604.1 square kilometers, with a permanent population of 14.428 million.
